Happy Independence Day!

Chamber Executive Director to Step Down After Four Years

Serving as Executive Director of the Malden Chamber of Commerce for the last four and a half years has been a pleasure and an honor. However, it is time for me to move on. Also, I believe strongly that change is good for small organizations like the Chamber. I have been fortunate to work with a very strong Board of Directors, headed by President Jack Urbaczewski.

I know the Chamber community is in great hands, and I want to thank all of those who are serving or who have served on our Board for their support to the Chamber.

Working with all of you in the Malden Chamber community has been a highlight of my career. You are the good guys who represent what is best about Malden. I cannot tell you how much I have appreciated your support and friendship. I plan to stay involved in Malden. I am hoping to serve on the Board of one of our many great non-profits. I will also continue to haunt Malden's great dining establishments.

Thank you all for what you do to make Malden a great place.

Chamber Awards Scholarships to Two Malden Students

The Malden Chamber has awarded scholarships to two very deserving Malden students. **Lauren Benoit** of **Malden High School** and **Isaac Coelho** of **Malden Catholic High School** each received \$500 scholarships as they graduate and move on to pursue higher education. The Chamber awards these scholarships to seniors who have been Malden residents for at least one year and who plan to pursue a career in a business or profession. We wish both Lauren and Isaac the best of luck as they start this next chapter in their lives and hope they will continue to stay involved in the Malden community.

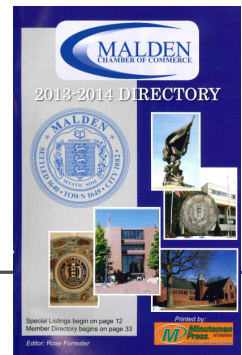

Congratulations to all 2013 Malden Graduates!
